PETITION TO AMEND INVENTORSHIP

Applicants hereby petition to amend the inventorship of the above-referenced application ("the application") to add the name of Claudio Ronco, a true joint inventor of the invention claimed in the application, whose name was inadvertently omitted at the time of filing the application. An affidavit by Claudio Ronco, attesting to his role in inventorship, as well as a Supplemental Declaration from the other six (6) joint inventors, are enclosed herewith. Pursuant to 37 C.F.R. 1.17(i), please charge Deposit Account No. 502434 in the amount of \$130.00, plus any additional fees, as necessary. A copy of this document is enclosed for accounting purposes.

Also enclosed, please find a written consent of the current assignee, Medical Components, Inc., to the addition of Claudio Ronco as a co-inventor.

Applicant respectfully request grant of this petition and amendment of inventorship.

Respectfully Submitted,

Angela WENTLING et al.

STATEMENT OF NEWLY ADDED INVENTOR

1. I, Claudio Ronco, am a joint inventor of the above-captioned patent application ("the application").

2. Through clerical error, and without deceptive intent, I was inadvertently omitted as an inventor at the time of original filing of the application.

3. My contribution to the invention consists of contributing subject matter to present claims 46-51, 54, 55, 57-61, 64, 65, and 67-70.

4. I declare that the statements herein are true, and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine, or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent resulting therefrom.

Continuous Flow Peritoneal Dialysis Catheter

for which we have executed a United States patent application, Application No. 10/824,454, filed April 14, 2004, and

ASSIGNORS authorize ASSIGNEE or ASSIGNEE's representative to insert the Application Number and Filing date of this application if they are unknown at the time of execution of this Assignment.

WHEREAS, **Medical Components, Inc.**, a Pennsylvania corporation having a place of business at 1499 Delp Drive, Harleysville, Pennsylvania 19438, hereinafter generally referred to as "ASSIGNEE", is desirous of acquiring said invention and said patent application.

NOW, THEREFORE, in consideration of the sum of One Dollar and other good and valuable executed consideration, the full receipt and sufficiency of all of which are hereby acknowledged, and intending to be legally bound hereby, we, the undersigned **ASSIGNORS**, hereby agree to sell, assign, transfer and convey and by these presents do sell, assign, transfer and convey unto the above-named **ASSIGNEE**, the whole and entire right, title and interest

in and to said invention as described in the above patent application, for the territory of the United States and its possessions and territories and all foreign countries;

in and to the above patent application and any and all related United States and foreign patent applications disclosing said invention, including provisionals, non-provisionals, divisions and continuations thereof, along with all rights of priority created by said patent application under any treaty relating thereto; and

in and to all United States and foreign patents which may be granted on any and all of said patent applications, including extensions, reissues and reexamination certificates thereof;

said invention, application(s) and patent(s) to be held and enjoyed by the above-named ASSIGNEE, for ASSIGNEE's own use and benefit, and for ASSIGNEE's legal representatives and assigns to the full end of the term or terms for which said patent(s) may be granted, as fully and entirely as the same would have been held by the undersigned ASSIGNORS had this assignment and sale not been made; and for the aforesaid consideration ASSIGNORS hereby covenant, agree and undertake to execute, whenever requested by the above-named ASSIGNEE, all patent applications, assignments, lawful oaths and any other papers which ASSIGNEE may deem necessary or desirable for securing to ASSIGNEE or for maintaining for ASSIGNEE all the patent(s) hereby assigned or agreed to be assigned; all without further compensation to the undersigned ASSIGNORS.
